Overall Property Status

GOOD — NO URGENT ISSUES FOUND

Summary

The property was found in good overall condition. Exterior, interior, and mechanical systems were reviewed with no urgent issues identified. Mail and packages were collected. Full findings and photo documentation are included on the following pages.

Exterior Review

Roof, siding, windows, and landscaping all in normal condition. No signs of storm or pest damage.

NO ISSUES

Interior Review

All rooms walked through. No signs of leaks, pests, or unexpected activity.

NO ISSUES

Water Leak Check

All visible plumbing, under-sink areas, and water heater checked. No active leaks found.

CLEAR

HVAC Check

System powered on and tested. Thermostat set correctly, airflow normal.

RUNNING NORMALLY

Mail & Packages

3 pieces of mail and 1 package collected and secured inside the property.

COLLECTED

Pool Area (if applicable)

No pool on this property.

N/A — NOT PRESENT

Security & Access Points

All doors and windows confirmed locked upon departure.

SECURE

What We Recommend

- No urgent action needed at this time.
- Consider scheduling routine lawn and pest control ahead of the summer season.
- HVAC filter is due for replacement within the next 60 days.
- We'll flag anything time-sensitive immediately — this report is a summary, not a substitute for real-time alerts.

This is a sample report.

Every real Property Check includes 40+ timestamped photos and an HD video walkthrough alongside this report. Schedule your first check to see your own.
